

ARKI LINE

Ground mounted IP67 linear wall washer with lens optics. Top quality SMD LED modules with colour consistency MacAdams 3, extensive portfolio of lumen ranges, CCTs and spectra. Variety of drivers: standard EVG on/off driver, DALI or DMX driver on request. Body is made of aluminium profile. Standard RAL 7016, other colour on request. Mounting on any type of ground. Selection of optics, lumen outputs and drivers allows to use this luminaire in different types of lighting projects. Standard luminaire is not intended for use in increased corrosivity category environment, e.g. with increased salt concentration. Extra corrosion protection is available on request.

Luminous flux & Luminaire Power tolerance up to 10%. System power consumption depends on components used. Luminous efficacy depends on type of LED's, electronics, optics and diffusor. The most up to date technical parameters can be found on our website and in database of LDT files.

PDF datasheet:

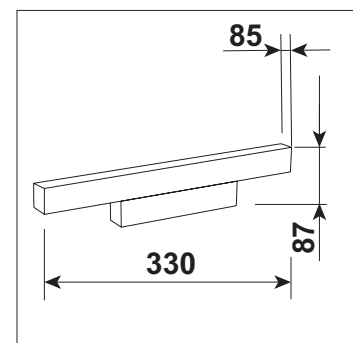

ARKI LINE

Mounting:	Ground/wall mounting
Body material:	Aluminium and stainless steel
Colour:	Standard anthracite grey RAL 7016, other RAL colours on request
Lumen output:	Standard 4000 lm/meter, any other on request
LED module:	Signify (Philips), Tridonic or equivalent SMD LED boards
Colour temperature:	3000/4000K/2700-6500K TunableWhite/RGBW, other on request
Colour Rendering:	CRI>80 in standard, other on request
Driver:	EVG on-off, DALI, DT8 TW, DMX, other on request
Wireless control:	on request
Daylight/Occupancy sensor:	on request
Emergency unit:	on request
Operating temperature range:	-20°C ... +40°C
IP Class:	IP67 in standard
Power:	220-240V 50/60Hz
Lighting direction:	Uplight / wallwasher
Light distribution:	Symmetric/asymmetric
Optics:	Lens
Beam angle:	35°/60°/90°/ASY, other on request
Diffuser:	CG clear glass
Warranty:	5 Years standard warranty

ARKI LINE ground or wall mounted luminaire

All current index numbers, lumen outputs, power consumption and many other technical information are available in our 2024 pricelist.
