

## XLN 1200\_300

Rectangular recessed luminaire for modular ceiling type. Top quality SMD LED module with colour consistency MacAdams ≤ 3, extensive portfolio of lumen ranges, CCTs and spectra. Variety of drivers : standard EVG on/off, DALI and wireless controlled as MasterConnect or Casambi on request. Built-in or remote, wireless occupancy & daylight sensor available to allow significant energy savings and wireless connectivity. Mounting into modular type of ceiling (custom made ceiling brackets for plasterboard or other specific type of ceiling on request). Body is made of aluminium and steel. Standard colour RAL 9003M, any other colour from basic RAL range available at no extra cost. Variety of diffusors, lumen outputs and drivers allows to use this luminaire in different types of lighting projects.

Luminous flux & Luminaire Power tolerance up to 10%. System power consumption depends on components used. Luminous efficacy depends on type of LED's, electronics, optics and diffusor. The most up to date technical parameters can be found on our website and in database of LDT files.

## XLN 1200\_300

Mounting: Recessed mounting / surface mounting

Body material: Steel and aluminium

Standard white RAL 9003M, other RAL colours on request Colour:

Standard up to 5000 lm, any other on request Lumen output:

LED module: Signify (Philips), Tridonic or equivalent SMD LED module

3000/4000K/2700-6500K TW other on request Colour temperature:

Colour Rendering: CRI>80 in standard, other on request

EVG on-off/DALI/TW DT8/MC (MasterConnect)/Casambi, other on request Driver:

Philips MasterConnect / Casambi, other on request Wireless controll:

Daylight/Occupancy sensor: Built-in XC sensor or wireless MCS sensor

**Emergency unit:** On request Operating temperature range: 0°C ... +35°C IP Class: IP40 in standard Power: 220-240V 50/60Hz Lighting direction: Direct lighting Light distribution: Symmetric

Diffuser: OP opal acrylic / MP19H microprismatic UGR<19 All types available in our LDT file database Beam angle:

Warranty: 5 Years standard warranty

Energy saving MasterConnect wireless lighting control system with daylight and movement detection technology on request.

## XLN 1200\_300 recessed mounted, light down

All current index numbers, lumen outputs, power consumption and many other technical information are available in our 2024 pricelist. Details on wireless lighting control systems on page number 896.

XC daylight&occ sensor

MCS wireless daylight&occ sensor

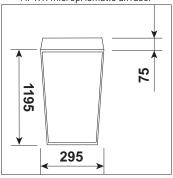

OP opal diffusor

XCS wireless switch

MP19H microprismatic diffusor
