

TANKLIGHT 140

Round, recessed IP65 downlight. Top quality COB LED module with colour consistency MacAdams 3, extensive portfolio of lumen ranges, CCTs and spectra. Variety of drivers: standard EVG on/off, DALI and wireless controlled as MasterConnect on request. Remote, wireless occupancy & daylight IP65 sensor available to allow significant energy savings and wireless connectivity. Mounting without tools into any type of suspended ceiling. Body is made of aluminium. Standard colour RAL 7016 any other colour on request. Selection of beam angles, lumen outputs and drivers allows to use this luminaire in different types of lighting projects. Standard luminaire is not intended for use in increased corrosivity category environment, e.g. with increased salt concentration. Extra corrosion protection is available on request. Luminous flux & Luminaire Power tolerance up to 10%. System power consumption depends on components used. Luminous efficacy depends on type of LED's, electronics, optics and diffusor. The most up to date technical parameters can be found on our website and in database of LDT files.
